2. Collect donations from friends & family. Use this form or set up an online fundraising page to share by email & on social media. Make a difference in the lives of our riders!

We wish you success with your fundraiser! We are here to support you by offering updated options & help to easily create your personal online fundraising page that will enhance both the in-person and virtual formats of this event. Step-by-step instructions are available at www.rivervalleyriders.org/rsvp. You can easily customize your fundraising page with your photo & story. Your fundraiser page also enables you to post updates to Facebook, Twitter or your email to share your activities & progress.

No donation is too small or too large. We want everyone to participate at the level at which they are comfortable. Donations qualify to be matched by the FS Foundation Grant! Please notify us of any workplace-giving programs your company offers.

3. Then saddle up your horse or grab your walking shoes or wheels & join us for a fun 8-mile ride or 3-mile walk/wheel on trails in the beautiful Lake Elmo Park Reserve on Saturday, September 11th. If you would rather not gather with us - please choose the activity, date and location for your own virtual event with your friends and family! Send us pictures of your activity to info@rivervalleyriders.org.

Our mission is to enrich the lives of children & adults with special needs by providing equine assisted activities & therapies.

Donations to the 2021 Walk-Wheel & Ride-A-Thon will help provide the best therapeutic riding & driving opportunities for people with special needs.

Lesson fees cover only 31% of the organization's operating expenses. The remaining funds are received through generous donations & fundraising events. Scholarships are available for those with financial need.

Please help support our riders & drivers by participating in this event!
