Step-by-step instructions are available at www.rivervalleyriders.org/rsvp. You can easily customize your fundraising page with your photo & story. Your fundraiser page also enables you to post updates to Facebook, Twitter or your email to share your activities & progress.

No donation is too small or too large. We want everyone to participate at the level at which they are comfortable. Please notify us of any workplace-giving programs your company offers.

3. Then saddle up your horse or grab your walking shoes or wheels & join us for a fun 8-mile ride or 3-mile walk/wheel on trails in the beautiful Lake Elmo Park Reserve on Saturday, June 17th. If you would rather not gather with us - please choose the activity, date and location for your own virtual event with your friends and family! Send us pictures of your activity to info@rivervalleyriders.org.

Our mission is to create a supportive community where people with special needs connect with horses and experience life-changing benefits!

Donations to the 2023 Walk-Wheel & Ride-A-Thon will help provide the best therapeutic riding & carriage driving opportunities for people with special needs.

Lesson fees cover only 40% of the organization's operating expenses. The remaining funds are received through generous donations & fundraising events. Scholarships are available for those with financial need.

Please help support our riders & drivers by participating in this event!
