

Miss Pickles Farewell  
RVR Round-Up 2021  
By Jim Detmar

Happy trails to you,  
we've rounded up, once more.

Happy trails to you,  
time to be heading for the door.

Hee-haw!

So glad we had this precious time together,  
And tomorrow wear a saddle made of leather.

Happy trails to you,  
'till we meet again.
